TOWN TEAM MEETING
19th January 2022 | Bandstand

Attendees

- Cllr Kit Leck ITC
- Mike Jones ITC
- Richard Rodd ITC
- Neil Ingram ITC
- Rob Townsend ITC
- Cllr Rod Donovan ITC
- Steven Seatherton ITC

Jubilee

- Sea Front > possibility to put seating and planters on old tourist info site. NDC has money to use in this area. If not permanent display it would be good to add temporary display. ACTION > Mike Jones to speak to NDC Community development on the feasibility.
- Sea Front > ITC (Rob Townsend) will tidy up this area and Neil Ingram to fund temporary items through welcome back fund.
- Mullacott displays will be done by ITC (Rob Townsend)
- Litter issue > with more people coming into the town during this period we need to make sure the litter will be managed / collected. NDC to feedback into litter group for update. It was suggested that the use of bigger bins just for holiday season could be deployed? It would also help with bird man and sea Ilfracombe events.

Spring / Summer Season

- Finger Post > These are now complete and will be delivered in February. We will ask the mens sheds to erect. Old ones will be either sold or scrapped. To decide once taken down.
- Street Furniture > benches and posts need to be repainted done. Charmain to ask mens sheds to see if they can assist in this. Richard to provide audit photos.
- Beach Clean Boards > These have been fixed and will be back in use this summer.
- Fore Street > looking bad, especially the hoardings. Need to speak to Stuart Coslett on how ITC can support on any tidy up scheme.
- Hele beach Arches need cleaning / repair > Mike Jones to look at issues.

Spring Clean

- Need to identify a week and programme of events. This will need to be done in conjunction with the FB High Street group and other organisations with the town. Possibility a week at the end of March / April.
- It was noted that people need to take ownership of their areas on a more regular basis.

Blocked Drains

- ITC to register all blocked drains on the DCC app.
- Neil Ingram to speak to Cllr Crabb on how to access to the app.
- Clive will also be updating the issues.

War memorial

- There are 4 big bitch trees that need to be trimmed. Need to check TPO and appoint a tree surgeon.
- Can be done on welcome back fund – Neil to investigate

Wilder Road

- NDC are Replacing all Wilder Road planters with welcome back fund
- Spring plants > compost > need about £500 from the welcome back fund – Neil to investigate.

Next Meeting

- The next meeting is scheduled for 17th March – 11am – The Lantern Centre.
