JOURNEY WITH US INTO THE LANDSCAPE

FOR A ONCE-IN-A-LIFETIME EXPERIENCE

APRIL – SEPTEMBER 2022

GREENSPACEDARKSKIES.UK

Want to help make something amazing happen in a beautiful, secret location near you?

Together we will make extraordinary outdoor artworks carrying specially designed, low environmental impact lights to create magical patterns in the landscape at dusk.

We need lots of people to help us across England. You can take part in one of these gatherings for free, with family, friends, with a group or on your own.

If you want to explore and celebrate our special wilderness, or care about what's happening to our environment, then take a journey with us this year.

Be part of something truly special happening across the UK. Find out how to take part and sign up at greenspacedarkskies.uk.
