our future, our choice

Functional Skills: Maths

Do you want to improve your career prospects, gain access to further education or support your family with their maths skills?

Gaining a Functional Skills qualification can support your future plans. This course will cover understanding numbers, calculation, time, shape and space and using data.

Every Wednesday from 9.30 to 11.30am
From 5th November - join at any time
Ilfracombe Library meeting room
